THROUGH OUR OWN
BACKYARD"**

FREE FOOD DAILY

PRICING

\$50 per week

Only \$25 for each additional child

This program is designed to allow children ages 6 - 12 years old to explore the world from their own back yard. Each week children will explore a region of the world by researching information on the diverse demographic make up of the region and our community's population, music and art samples, games that are popular in that region of the world, prepare and taste various foods of the region, and meet people from around the world. They will also study the climate, the areas terrain, its natural resources, the regions wildlife, and age appropriate political issues.
