

THE DAILY ATTENDANCE CARD

The *Daily Attendance Card* serves as a tool to reinforce student responsibility and accountability for attending school. Daily attendance cards are to be signed by each teacher following each class attended by the student.

Attendance cards may be downloaded when:

1. A magistrate court orders a student to return to court on a scheduled date with signed attendance cards, indicating that the student attended each class daily. The attendance officer must notify the principal when a student is court ordered to complete *Daily Attendance Cards*.
2. A principal or an attendance officer requests a student to complete the *Daily Attendance Card* for accountability purposes.
