

**FEDERAL PROGRAMS COMMITTEE**  
**Monday, September 28, 2009**

Chairman Edwards called the meeting to order at 5:30 p.m.  
Messrs. Given and Edward and Flores were present. Messrs. Howard and Molnar were absent.

I. ***Team Lorain County Presentation.***

\*(Mr. Morey distributed an additional packet of information consisting of marketing materials available for the Riverbend Commerce Park and Crain's Cleveland Business "Largest Industrial Parks" listing and provided a recommendation letter from Darrell Bossert, Ohio Realty Advisors.)

STEVE MOREY, PRESIDENT CEO provided Council with a brief summary of project TLC has participated in year to date. He also provided a detailed overview of economic development projects and provided detail of the 74 attraction, retention and expansion leads. Attracting leads is currently done by internet and traditional collateral materials, trade shows, tours and market visits. Mr. Morey also introduced new member Thomas Jelepis, who provided members with a summary of his experience and enthusiasm on becoming a part of TLC.

Members of Council inquired of TLC what additional actions could be taken to better market Lorain County. TLC advised several sites were in the final phases of several projects but were not selected. It is not for the lack of trying and they will continue to do their best.

There being no further questions, meeting adjourned at 5:57 p.m.

\* Items filed in the Federal Programs Inactive Committee File.

*(A recording of this presentation is available in Clerk of Council Office.)*
