

71.4 When Hearing on Attorney Fees in Estates Necessary

In all other cases not within the purview of County Local Rule 71.1, counsel for the fiduciary shall make application for the payment of attorney fees, and shall give notice of the filing of the application pursuant to Civil Rule 73 to each beneficiary and creditor whose share will be charged with the payment of any part of the fee. A copy of the application shall be attached to the notice which shall inform the beneficiary and creditor that they have thirty (30) days from the date the application was submitted to file a written request for a full hearing thereon. If such request is not timely filed, an order approving the fees requested may be entered and shall recite that credit may be taken for the allowed fee in an accounting, subject to exceptions as provided by law.
